

Report an Occurrence – Regulated Air Cargo Agents

The CAA encourages reporting of all security-related incidents or concerns, even when these may not reach the formal requirements for reporting under Part 12. Details of security occurrences help the CAA identify threats or risks to the aviation sector.

We invite you to use this form to voluntarily report security incidents or concerns to the Security Regulation Unit which do not require formal reporting. Incidents or concerns include suspicious interactions, observations of security concern, or anything else that makes you feel uncomfortable.

Once received, the form will be assessed and assigned to a member of the Security Regulation Unit who will contact you.

Complete all sections as fully as you can, send additional pages if required.
