Request for the Director to identify experts for Accredited Medical Conclusion

In the case of the application for medical certificate:

Applicant name		Applicant Client No
Class(es) of medical certificate sought (indicate those that apply)		
Class 1 <input type="checkbox"/>	Class 2 <input type="checkbox"/>	Class 3 <input type="checkbox"/>
Date of application for medical certificate	Date of this request	

The applicant has applied to the Director of Civil Aviation), under the Civil Aviation Act, for the issue of CAA medical certificates.

I have received the report of the medical examiner and considered this application under the Act. I am satisfied that the applicant does not meet the medical standards prescribed in Rule Part 67 of the Civil Aviation Rules. The medical conditions and likely aviation medical issues that indicate that the applicant does not meet the medical standards are:

Despite the applicant not meeting the medical standards I wish to consider this application by relying on flexibility under the Act. Accordingly I request the Director to identify expert(s) for the purpose of reaching an Accredited Medical Conclusion in the case of this application.

I have informed the applicant that they do not meet the medical standards and that I am seeking to rely on flexibility under the Act.

I am / am not (indicate as appropriate) available and willing to be an expert for this Accredited Medical Conclusion should the Director wish to identify me for that purpose.

Requesting Medical Examiner:
